Max BuilderSM

This dental plan includes a valuable feature that allows qualifying plan participants to carryover part of their unused annual maximum. A participant earns dental rewards by submitting at least one claim for dental expenses incurred during the benefit year, while staying at or under the threshold amount for benefits received for that year. In addition, a person earning dental rewards who submits a claim for services received through the dental network earns an extra reward, called the PPO Bonus. Employees and their covered dependents may accumulate rewards up to the stated maximum carryover amount, and then use those rewards for any covered dental procedures subject to applicable coinsurance and plan provisions. If a plan participant doesn't submit a dental claim during a benefit year, all accumulated rewards are lost. But he or she can begin earning rewards again the very next year.

Benefit Threshold	\$500	Dental benefits received for the year cannot exceed this amount
Annual Carryover Amount	\$250	Max Builder amount is added to the following year's maximum
Annual PPO Bonus	\$150	Additional bonus is earned if the participant sees a network provider
Maximum Carryover	\$1,000	Maximum possible accumulation for Max Builder and PPO Bonus combined

Groups with a program similar to Max Builder on their previous plan are eligible for Max Builder Credits. To qualify for Max Builder Credits, the employer must request a list of carryover amounts from the previous carrier, to be sent to The Standard.

The Standard will credit each account based on amounts identified by the previous carrier. The credit is available only to initial insureds. The credit, and any amounts earned under our plan, will not exceed the maximum carryover proposed for the plan selected.

Enrollment data must include information for all dependents enrolling in the plan.

Dental Network Information

Employees and dependents have access to an extensive nationwide network of member dentists. The cost-saving benefits of visiting a network member dentist are automatically available to all employees and dependents who are covered by any of The Standard's dental plans and who live in areas where the nationwide network is available. To find member dentists in your area, visit: <http://www.standard.com/dental> and click on "Find a Dentist."

Pretreatment

While we don't require a pretreatment authorization form for any procedure, we recommend them for any dental work you consider expensive. As a smart consumer, it's best for you to know your share of the cost up front. Simply ask your dentist to submit the information for a pretreatment estimate to our customer relations department. We'll inform both you and your dentist of the exact amount your insurance will cover and the amount that you will be responsible for. That way, there won't be any surprises once the work has been completed.

Late Entrant Provision

We strongly encourage you to sign up for coverage when you are initially eligible. If you choose not to sign up during this initial enrollment period, you will become a late entrant. Late entrants will be eligible for only exams, cleanings, and fluoride applications for the first 12 months they are covered.
